

Texas Commission on Environmental Quality

Notice of Concentrated Animal Feeding Operation Application General Permit Authorization No. TXG921459

Application. Seaboard Foods LLC, 2801 Hurliman Road, Guymon, Oklahoma 73942 has applied to the Texas Commission on Environmental Quality (TCEQ) under General Permit No. TXG920000 for a non-substantial change to the terms of the nutrient management plan (NMP) previously submitted to the TCEQ. The Applicant is proposing to decrease the headcount from 20,418 head total swine to a maximum of 11,302 head, all of which will be swine weighing 55 Lbs or over. The NMP is for a “No Planned Application” to the land management units. Other proposed changes include changing the site name from GP Facility Site 2 to Farms 54, 98-99 & 511, renaming the retention control structures (RCSs), and removing the disinfection RCS. The design calculations for the RCSs have also been updated. The currently authorized total land application area of 380 acres remains unchanged. The notice of change and the updated NMP for a “No Planned Application” were received by TCEQ on May 10, 2017.

No discharge of pollutants into the waters in the state is authorized by this general permit except under chronic or catastrophic rainfall conditions or events. All waste and wastewater will be beneficially used on agricultural land.

The facility is located north side of Farm-to-Market Road 281, approximately 4 miles west of the intersection of Farm-to-Market Road 281 and highway 83 in Perryton,, Ochiltree County, Texas. The facility is located in the drainage area of Wolf Creek in Segment No. 0104 of the Canadian River Basin.

The Executive Director of the TCEQ has approved the proposed non-substantial change to the terms of the NMP. The revised terms of the NMP have been included in the permit record and it is available at the TCEQ’s Central Records, 12100 Park 35 Circle Austin, Texas 78753.

Information. For additional information about this application, contact Joy Alabi at (512) 239-1318. Si desea información en Español, puede llamar al 1-800-687-4040. General information regarding the TCEQ can be found at our web site at www.tceq.texas.gov/.
